Volunteering Requirement. We require recipients of ARE scholarships volunteer each week during the Wellspring Wednesday sessions. Below is a list of volunteer opportunities. Please select at least two volunteer options that work best for you. While we try very hard to match volunteers with their preferred activities, sometimes volunteer activities are assigned based on where support is needed.

- Set-up before classes (5:00-6:00)
- Assist in Serving Dinner (5:30-6:35)
- Clean up (6:00-7:00)
- Facilitator Assistant (6:30-8:00)

\*Please note the times listed above are estimated.

\* Scholarship priority is given to those who volunteer.
