Available, but not Included in Rates

- We have very competitive rates for many of the items your Wedding and/or Reception might need, such as...
 - Table and chair rentals
 - Lighting packages
 - Piano rental
 - [Click Here for the Details](#)

Not Included

- We do not provide setup or clean-up services unless specifically contracted. It is your vendor's responsibility to leave the rooms as they find them.
- Our Minister or Organist are not included, but are often available for hire.
- We do not provide any Wedding Planning services.
- It is your responsibility to decorate (and then remove all decorations) from the areas you have rented, in accordance with our Room Use Guidelines. You will be provided with a Special Request and Decoration form to see if your plans can be approved.
- Linens, service ware or utensils are not included.

How to Reserve Your Date?

- Once you select an available date, we will provide you with a one week courtesy hold on that date. In order to secure that date beyond the one week hold, we will need to receive from you within that time frame a non-refundable Reservation Fee of \$500. This payment is the first payment on your rental fees. Once we receive your Reservation Fee, we will send you a contract for the facility rental, which will include the balance due dates, security deposit information and several other rental terms and conditions.
- If your event will have fewer than 75 guests, please contact us for some possible rate adjustments.

Payment Schedule

- Reservation Fee: Due within one week of scheduling your date.
- Balance: Due 6 months in advance of your event. (If your date is less than 6 months away, the full balance is due within one week of scheduling, in lieu of the Reservation Fee.)

Security Deposit and Renter Liability:

- Renter is solely responsible for all infractions of USSB Rules and contractual terms, including those of its Vendors and guests. USSB strongly recommends that Renter provide a copy of this document and a copy of the USSB Rental Policies and Guidelines to all Vendors for this event.
- We require a refundable \$1,000 Cleaning/Security Deposit, due 2 months in advance.
 - These funds are held in case of damage, excessive cleaning needs and/or any unscheduled use, and are separate from and do not apply towards your rental fees.
 - Your Security Deposit will be refunded (minus any required charges) within 4 weeks of your event. Your liability for damages or unscheduled use is not limited to the amount of your Security Deposit.
 - Your contract will specify exact payment dates.

Additional Time

- If you need more time than what is included in our standard rates - and that time is available - it is billed at \$200 per hour, for whatever space you have rented. Please schedule this as early as possible; otherwise it may not be available.

Vendor Rules

- We highly recommend that you choose a Caterer that is on our Approved Vendor List. However, if you would like to bring in someone different, you must; A) provide us with the name and contact information of the licensed vendor you would like to use, and B) they will need to participate in an on sight walkthrough at least 2 months prior to your event. If they have a current business license and health certificate, and come for a walkthrough, we will most likely approve this caterer.
- You are required to provide us with the names and contact information for all Vendors you are using, at least 2 months prior to your wedding date.

Wedding Coordinators

- If you are having your Reception here at Unitarian Society, we do require that you retain the services of a Wedding Coordinator. Whether you hire a Full Service Coordinator or a Month-Of or Day-Of Coordinator, either option is fine. This person does not need to be a professional Coordinator, but we will need you to provide us with this person's name and contact information at least 60 days prior to your wedding date. This person will be your representative on the day of your wedding, overseeing your setup, which will greatly enhance our joint ability to overcome any unforeseen obstacles. This person will also be responsible to work with your vendors on the day of your wedding, ensuring things go as you have planned.
- You can select a Wedding Coordinator off of our Preferred Vendors List. Or you can hire someone that isn't on our list, but then there would be a certain protocol to go through to approve that Coordinator.
- **Another Option:** Our Facility Use Coordinator, Greg Otero, also works independently as a Month-Of Coordinator, and can offer his services at an affordable price. Please [Click Here](#) for more information.

Insurance for Receptions

- If you are having your Reception here at USSB, we require that the wedding party take out a \$1 million dollar liability insurance policy and list USSB as an additionally insured party. You can usually get this type of policy from your homeowners or auto insurance provider. However, you can also get this type of policy, and additional wedding coverage if you wish, from a company like www.wedsafe.com, and others like it.
- This policy must be provided to USSB at least 30 days prior to your event date.

Cancellations & Refunds

- All cancellations must be made in writing. Any Security Deposits received will be returned in full.
- If you cancel 180 days or greater from event, you will receive 100% of rental fees paid, minus the \$500 Reservation Fee.
- If you cancel 120 days to 180 days from event, you will receive 50% of rental fees paid, minus the \$500 Reservation Fee.
- If you cancel 90 days to 120 days from event, you will receive 25% of rental fees paid, minus the \$500 Reservation Fee.
- If you cancel with less than 90 days to event, no refund is issued.
- A change of date requested within 180 days of the reserved date requires a second \$500 Reservation Fee, pending the new date's availability.

Changing Your Date After It's Booked

- If you request a date change greater than 6 months in advance of your wedding date, the change can be granted, based on availability, at no charge.
- If you request a date change less than 6 months in advance of your wedding date, and your requested date is available, the request can be granted. However, a \$500 change fee will be assessed, and if you were to subsequently cancel the new date, you would no longer be eligible for a refund of any funds paid to that date. This situation supersedes the standard cancellations policies described above.
- Note: The reason for the change fee and revised cancellation policies is that USSB might have been turning away other couples requesting your original date, and as a result of your change, has likely lost the ability to earn revenue on that date.
